

APPLEBY-ACOOSE RACE A FIASCO

Winnipeg, May 24.—The second race between Fred Appleby and Paul Acoose proved a fiasco, and the crowd which journeyed out to the Arena rink to witness the contest went away disappointed. In the first lap of the tenth mile the Grenfell Indian retired from the contest, leaving his opponent to finish the fifteen miles alone. The time was 1 hour 24 minutes 24 seconds. No discredit goes to the vanquished, for it was not his fault that he retired. Numerous tacks found their way to the track by some means unknown, and the Indian was unfortunate enough to collect them in his moccasins, thus killing any chance he had of beating the world's champion for the second time.
